## NEW Trinity TV range – Wall Mount, Recess or Flush.

The stunning Trinity TV is our latest model, designed with a choice of three simple installation methods. This larger TV is available in either a mirror finish or smoked black glass, perfect for generous bathrooms and modern kitchens. With a slim profile, it is possible to add modern technology without compromising the overall design.

This design is a slimline model at only 30mm deep. This means it can be recessed, using the back box provided. However, being so slim, the unit can also be wall mounted.

The Magic Mirror Finish or Smoked Black Glass effect, allow the TV screen to disappear, when the unit is switched “OFF”.

### Key Features:

- High bright 27” or 32” wide-screen LED panels
- Integrated Freeview HD, HDMI \* 3, USB, Audio Out
- Heated, toughened glass screens (to stop misting)
- Additional IR Window – for adding a Sky Eye, etc.
- Waterproof rated IPX6
- Smart home enabled with Discrete Codes and RS232
- Three Ways to install:
  1. Wall-mount with a depth of just 30mm.
  2. Recess the back box and leave the 6mm glass edge visible.
  3. Flush mount the unit and tile up to the glass edge.

### 27” Trinity TV – Glass screen finishes:

Mirror finish Code - TVT2701m £1,266.67  
Smoked black Code - TVT2701sb £1,266.67
