The great indoors

Times are changing and as our lifestyles adapt so too have our homes. We've watched fast-paced living be switched with slower, more deliberate time spent indoors. Spaces once saved for entertaining and gathering, now transform into hybrid havens for work, rest and play. So while we retreat into these inner worlds to reconnect, Meir invites you to discover a renewed sense of creativity and self-expression.

Spending close to a decade developing, designing and manufacturing premium products to elevate these everyday moments, Meir specialises in the details that make houses feel like homes.

With exceptional materials, craftsmanship and care; you will relish every opportunity to stay-in.

CREATE, CURATE AND
REJUVENATE YOUR HOME

THE RANGE

We create each piece from concept to production at the highest standards using DZR brass; selecting only the most reputable quality European parts and components. Our ongoing commitment to quality allows us to provide generous, industry-leading warranty terms for all parts, products, and components which withstand the test of time both in their appearance and application.

Our products are designed to work best with high pressure water systems such as those typically installed in modern homes. With older water systems, your installer or retailer, can advise on how to achieve a 'high pressure experience'.
