At Meir, we pride ourselves in inspiring moments of reflection, renewal and rejuvenation through carefully selected fixtures, fittings and finishes.

Meir Collection

Ultra-premium and timeless in design, our collections will transform your home with elevated style, innovation and functionality.

Encompassing a range of fixtures and fittings available in luxurious colours, each one crafted using superior materials and quality components, formed for your bathroom, kitchen, laundry and powder room.

Matte Black

Subtle yet elegant, our signature Matte Black finish pushes the boundaries of luxury tapware. Exuding sleek structure and elegance, the finish subtly accentuates natural textures like marble and timber.

Tiger Bronze

A nuanced finish created from a brushed black undercoating adorned in gold, providing a glorious midas touch. Harness the power of precious metal motifs to highlight both modern pastel palettes and more classic colour schemes.

Champagne

Set the benchmark for stylish living with a finish that exudes a sense of fluidity and versatility. The effervescence of rose-gold brings a new luxury to brass and the result is brilliant. Pair Champagne with pale timber, earthy tiling and an abundance of natural light for maximum impact.

rejuvenate your home**

THE RANGE

We create each piece from concept to production at the highest standards using DZR brass; selecting only the most reputable quality European parts and components. Our ongoing commitment to quality allows us to provide generous, industry-leading warranty terms for all parts, products, and components which withstand the test of time both in their appearance and application.

Our products are designed to work best with high pressure water systems such as those typically installed in modern homes.

With older water systems, your installer or retailer, can advise on how to achieve a 'high pressure experience'.
