The great indoors

Times are changing and as our lifestyles adapt so too have our homes. We've watched fast-paced living be switched with slower, more deliberate time spent indoors. Spaces once saved for entertaining and gathering, now transform into hybrid havens for work, rest and play. So while we retreat into these inner worlds to reconnect, Meir invites you to discover a renewed sense of creativity and self-expression.

Spending close to a decade developing, designing and manufacturing premium products to elevate these everyday moments, Meir specialises in the details that make houses feel like homes.

With exceptional materials, craftsmanship and care; you will relish every opportunity to stay-in.

The beauty is more than skin deep

Meir's commitment to quality means all our products meet the most stringent global standards. We only use the best quality components and materials - including DZR, a superior, low-lead, brass alloy.

With its higher resistance to corrosion, taps made from DZR brass are less likely to develop leaks, cracks, and other malfunctions, ensuring reliable and safe use over time.

DZR brass also has lower levels of impurities, resulting in improved water quality.

Whilst not a requirement in the UK, the durability of DZR brass combined with Meir's use of the highest quality components gives us the confidence to offer a lifetime guarantee.

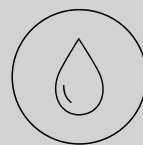

Our products are designed to work best with high pressure water systems such as those typically installed in modern homes. With older water systems, your installer or retailer can advise on how to achieve a 'high pressure experience'.

MEIR COLLECTION

Ultra-premium and timeless in design, our collections will transform your home with elevated style, innovation and functionality.

Encompassing a range of fixtures and fittings available in luxurious colours, each one crafted using superior materials and quality components, formed for your bathroom, kitchen, laundry and powder room.

Matte Black

Subtle yet elegant, our signature Matte Black finish pushes the boundaries of luxury tapware. Exuding sleek structure and elegance, the finish subtly accentuates natural textures like marble and timber.

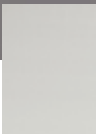

Tiger Bronze

A nuanced finish created from a brushed black undercoating adorned in gold, providing a glorious midas touch. Harness the power of precious metal motifs to highlight both modern pastel palettes and more classic colour schemes.

Champagne

Set the benchmark for stylish living with a finish that exudes a sense of fluidity and versatility. The effervescence of rose-gold brings a new luxury to brass and the result is brilliant. Pair Champagne with pale timber, earthy tiling and an abundance of natural light for maximum impact.

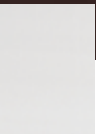

Brushed Nickel

This chameleon finish is exceptional in a range of interior settings and palettes, offering striking aesthetics in every instance. Whether your space is commercial or closer to home, our PVD Brushed Nickel range is crafted using premium materials and the utmost care. Scheme with oak and earthy palettes for the greatest appeal.

Shadow

New to our range, the bespoke finish embodies individuality ensuring Shadow is as unique as you. The finish has been crafted with depth that perfectly pairs with stone, timber, natural elements, and concrete. Combining a striking blend of charcoal grey and rustic blue, Shadow produces a sophisticated look unlike anything else. Shadow adds an intensity while remaining familiar, making it incredibly versatile.

Polished Chrome

An essential selection in both modern and classic homes. This finish delivers form and function, serving understated style through contemporary design. Its versatility, practicality and personality sees this finish thriving for decades to come.
